### Cousins Island Annual Parking

Applications Due By  
12/1/23

Applications for annual parking permits will be mailed by November 1st to current permit holders. The applications will also be posted at [ctcferry.org/the-ferry](http://ctcferry.org/the-ferry). Parking spaces are *very limited* at the Cousins Island lot. We urge customers to *consider moving* to the Route One lot.

Restrictions on the number of cars that may be parked at Cousins mean it is not possible to provide Cousins permits to all applicants. As in past years, specific criteria will be weighed when assigning Cousins permits.

Please review carefully all the terms and conditions detailed in our application package.

Please note that customers who are more than 30 days in arrears for payment (for any CTC service) will not receive a Cousins permit and will only be issued a Route One permit when the account is paid in full. If you think you may owe a balance to CTC, please call our office.

Applications for the Cousins lot must be received at the office or postmarked by 4pm on 12/1. Applications received or postmarked after the due date will not be considered for a Cousins Island permit.
